Kofi Annan Fellowship in Global Governance

THE GLOBAL
COMPACT

Friends of Freie Universität Berlin (FFUB) in partnership with the **United Nations Global Compact** are pleased to announce the **Fellowship in Global Governance**. Launched in 2005 at FFUB's Transatlantic Bridge Award Gala honoring Prof. Klaus Schwab of the World Economic Forum, fellows will integrate research and expertise into the current work of the Global Compact, a sponsoring corporation and a partnering educational institution of the Freie Universität Berlin, each for three months respectively.

Based on the Global Compact's ten responsibility-driven principles, the fellowship brings the public, private and educational sectors together in a collaborative effort to achieve the Millennium Development Goals set forth by Secretary-General Kofi Annan.

Advisory Council: Dr. Peter Eigen, *Transparency International*, Mr. Charles Goerens, *Luxembourg Government*, Dr. Vartan Gregorian, *Carnegie Corporation of NY*, Prof. Manfred Güllner, *forsa-Institut*, Dr. Georg Kell, *United Nations Global Compact*, Ms. Lotte Leicht, *Human Rights Watch*, Prof. Thomas Risse, *Freie Universität Berlin*, Prof. John Ruggie, *JFK School of Government*.

Interested Applicants – Deadline 1 May 2006

Please visit www.kofiannanfellowship.org for details and on-line application instructions.

Corporate Sponsors

Support of the Fellowship in Global Governance presents a unique opportunity to spearhead research through public-private partnerships with leading organizations and individuals in the field of corporate and social responsibility. Sponsors are encouraged to identify a specific area within the ten principles they would like their fellow to focus on. Prominent opportunities exist for corporate recognition.
